

CITRIS Innovation Intensive – CLIMATE

10/28/2024 - 11/01/2024

Time	Date	Date	Date	Date	Location
	Monday 10/28/2024 UC Berkeley	Tuesday 10/29/2024 UC Santa Cruz	Wednesday 10/30/2024 UC Davis	Thursday 10/31/2024 UC Merced	Friday 11/1/2024 Moffett Field, Berkeley
8:00 AM	Depart Hotel Berkeley Walk	Bus Departs	Bus Departs	Bus Departs	Bus Departs
8:30 AM					
9:00 AM			Drive		
9:30 AM	Welcome & Orientation	Drive & Cohort Networking	Welcome & Coffee Lab		Drive
10:00 AM	CITRIS Climate Initiative & EcoBlock Keynote	Welcome	Talks, Tastings & Transit	Drive & "Bus Mentoring"	WELCOME: Berkeley Space Center & NASA
10:30 AM		Generating Hydrogen from Seawater	Climate Justice & Climate Adaptation Research Center		High Performance Computing & Global Remote Sensing for Climate Research & Apps
11:00 AM	Climate, AI & Policy Conversation	CIDER Program	Build Back Better: Earthblocks & QA	Welcome & Introduction to Ag-Food-Tech at UC Merced	Oceans & Simulations from Satellites, Ships, & Autonomous Platforms
11:30 AM	Clean Energy Campus Talk & Walk	Redwoods Walk & Drive	Capturing CO2 from Fermentation	Expert Deep Dives: - Agrivoltaics - Biochar - Infrastructure for - Climate Resilience	
12:00 PM	Bakar BiIngenuity Hub tour	Lunch at the Barn			Lunch & Networking
12:30 PM			Networking Lunch		
1:00 PM	Lunch & Alt Meat Panel	Drone-Robot Teaming for Wildfire Detection, AgTech, & Remediating Plant Stress	AgTech Innovation & Chips	Lunch & Networking	Moffett Tour
1:30 PM		Fully Autonomous Farming Powered by Solar or Wind	Drive to UC Davis West Village - Planned Net Zero Neighborhood		
2:00 PM	Urban Sustainability	Greener Greenhouses	Keeping Cool in a Warming Planet	Panel: The Future of Water in California & the World	
2:30 PM		Plastic - Climate-Smart Gardens - Rainwater to Food Systems	EV Fleets	BioSCape	Drive
3:00 PM	Pulling CO2 Out of the Air, Water, & Soil	- Water Levels for Reef Growth	Tour of HVAC Lab & Smart Home		
3:30 PM	Networking Walk to Startup Mixer			Networking & Transit to Project Nexus, Turlock Irrigation District	CITRIS & ITS Present: Kate Gordon on Climate Resilience in Transportation Planning
4:00 PM	Startup Mixer	Drive to UCSC Center for Coastal Climate Resilience Networking	Networking	Talk: Solar Panels Over Canals	Networking
4:30 PM	Rapid Startup Pitches				Carbon Accounting & Accountability
5:00 PM					Walk to SkyDeck
5:30 PM	Startup Networking				Dinner, Reflections, Next Steps
6:00 PM	Reception ends ~6 pm	Drive & Cohort Networking	Drive & Cohort Networking	Drive & "Bus Mentoring"	& Closing Celebration in Berkeley
6:30 PM					
7:00 PM
